The infuriating, frustrating, death-by-toothpick-skewering kind of hell? Or the oh-dear-god-this-is-so-sad-I-may-fling-myself-into-the-Potomac kind of hell?

(For me, the sad. All these little games and stickers and virtual thingies pre-packaged to send people. It looks so happy and interactive. And they're all...still alone. Damn. No one should have to be that age.)

Word, bro. Thank you. Right now I have the best friends I've ever had. If I could go back and tell my fifteen-year-old self about this, she wouldn't believe it.
